Betreff: Re: Singapore Project

Thanks, Philippe,

Am copying my colleagues to see who can meet up with you and Edwin.

Dilhan looks after our enterprise development thrust, while song hwee and rohit look after our investment initiatives. Chong lee and john oversee our portfolio as a whole.

Depending on edwin's specific interest, dilhan can help link up appropriately.

Cheers, and please send my regards to Ehud too.

Subject: Singapore Project

Dear Madame Ho,
I still have vivid memories about my visit together with my friend Ehud Barak to Singapore and the warm welcome you orchestrated for us five years ago - how time flies!

My friend and partner Edwin Eichler former vice-CEO of ThyssenKrupp happens to travel to Singapore from the 8th of April until the 12th - see below. He looks for investments of about USD 0.5bn into Singapore, possibly as spin-offs or JV with Temasek.

Is it possible to meet you during that time frame - and if not perhaps a senior college of yours.
Looking very much forward to your feedback.
Best,
Philipp

Betreff: Singapore Project

Dear Philipp,

hopefully this mail finds you well!

As you know I'm supporting one of my partners to acquire a leading industrial company in Asia.
His company is a global player producing industrial equipment.
Now he wants to invest nearly 500 Mio US$ in an high tech industrial / production company.
Preferred location is Singapore as a Headquarter but could also be HongKong or Taiwan.

Can you please provide me with the right high level contact in Singapore to discuss such a project more in detail? I could imagine that Temasek will be the best platform. Either they have something to spinoff out of their portfolio or they can support me with the right local contact.

I'm traveling to Singapore from the 8th of April until the 12th.

Thanks for your support!

Yours sincerely
Edwin
